

JOB TITLE: Branch Managers for our future branches in Asia

In the past 36 years, the AGS Group has built up a network of 125 branches in 75 countries specializing in door-to-door relocation solutions. A leader in international removals, the AGS Group is currently accelerating the development of their activity in China.

LOCATION: Throughout China

In China, we will be opening offices in:

Dalian, Chongqing, Nanjing, Qingdao, Shenyang, Tianjin, Xiamen, Xian

PROFILE:

With 2 to 4 years' tertiary education and 2 to 5 years' professional experience, the candidate has a calling to work in a foreign country, in a multi-lingual environment. Perfectly fluent in English, a second language would be appreciated.

The candidate should have good management and leadership skills, a good capacity for work, and be adept in profit centre management. The candidate should master all commercial, financial and accountancy aspects of the position, as well as all operational and logistical aspects of the transport industry.

Given the international aspect of this profession, the candidate should be readily available and geographically mobile.

MISSION:

While training to become a future branch manager, the candidate is to assist the current branch manager in all management duties, i.e.:

- Administrative (staff management, pay, accountancy, recovery)
- Commercial
- Technical (management of vehicle pool, imports/exports, stocks, schedule)
